

STGRSD – Student Device Sign-out Agreement

The STGRSD is distributing these devices so that students can continue to pursue their education while the school buildings remain closed. The devices should be used for school related communication and work. They should not be used for entertainment or games.

In accepting this device, I am agreeing to use it in compliance with the **Empowered Digital Use Agreement** copied below.

The district **will** seek reimbursement for damage caused purposefully by the user (ex. removing keys) or through user neglect (ex. leaving outside in the rain). The district **will not** seek reimbursement for accidental damage or technical issues.

When school opens, we will communicate a procedure for students to return the device. If a device is not returned, the STGRSD will charge the recipient for the **replacement cost** of the device, which is \$400.
