Notes:

- Debrief of 2016-2017 ILT
 - Focus shifted away from development of a 5 year professional development plan due to where the superintendent is in the process of creating her strategic plan for the district
 - Focus shifted toward the goal of establishing a common understanding of student engagement.
- Focus for 2017-2018:
 - Continue working to establish common understanding of key terms from power indicators
 - Continue to create teacher tool for improving student engagement
 - Look for and non-negotiables
 - Separate from educator evaluation rubric
 - Get more granular
 - Develop PD plan based on new Strategic Plan developed by the superintendent
 - Develop curriculum/resource review protocol
 - Continue to develop a collaborative culture in our schools

Next Meeting: Monday, October 2, 2017

- **Topic:** Identify next steps for student engagement resource
