

SOUTHWICK-TOLLAND-GRANVILLE REGIONAL SCHOOL DISTRICT
86 Powder Mill Road, Southwick, MA 01077-9550

**SOUTHWICK-TOLLAND-GRANVILLE REGIONAL SCHOOL DISTRICT HEALTH OFFICE
 SCREENINGS AND PHYSICAL EXAM REQUIREMENTS:**

The school health office will only notify parents whose child/children are not within the normal range for hearing, vision and scoliosis screenings. We appreciate your participation and rely on parents to follow up with the recommended referrals by having your child examined by a professional. It is important that you return the form(s) and outcome of the doctor's visit in a timely manner to your child's school health office.

You have an option to ***not have*** your child participate in one or all of these screenings. You must, however, make your decision to **"OPT OUT"** of screening by **October 1** and send a note to your child's school nurse. This must be done yearly. Otherwise, your child will be automatically screened as per Massachusetts Department of Public Health (DPH) regulations.

➤ *"Opting out" applies to screenings only, NOT to physicals*

| | PHYSICALS | SCOLIOSIS | HEARING & VISION | SBIRT |
